Re: Tennis Court Lighting Proposal

Attached are three options for the Tennis Court Lighting from the Town Electrical Contractor. A permit would be required and is unlikely that the poles could pass current standards. If the poles can't be certified option 1 would be obsolete. I have been in contact with a structural engineer about obtaining a proposal to certify the existing poles if possible.

Option 1. Light Head Replacement and Electrical Upgrade on Existing Poles
\$10,102.00 plus permitting

Option 2. . Light Head Replacement, Electrical Upgrade and 37' Concrete Pole
\$19,164.50 plus permitting

Option 3. Light Head Replacement, Electrical Upgrade and 37' Fiberglass Pole
\$21,999.50 plus permitting

Thank You

Don Prince
