In the month of January 2011, the volunteer Fire Department worked and updated the Tactical pre-planning surveys and different items for preparation for the ISO (Insurance Services Organization) upcoming audit in February 2011.

The High rise Fire Safety Program is doing very well and it is providing a lot of insight and feedback from citizens living in the high rises. The Fire Chief and Fire Administrator visited and made the high rise fire safety presentation to the residents and staff of Royal Coast Condo, Starlight Towers. The training was well received by both the residents and the building personnel.

Responses:

The Volunteer Fire Department responded to 31 fire rescue calls within the limits of our contract.

- Out of 31 fire rescue calls, 20 of the fire calls were fire alarms, 3 elevator rescues, 4 accidents with injuries, 1 drowning, and 1 fire other/residential structure fire.
- A drowning call was received referencing to a wind surfer in distress. 22 members responded to this call. Marine units was deployed and picked up surfer, surfer was brought to shore, where he was evaluated by medical units and required no additional medical attention. Kite was retrieved by Marine unit personnel and brought back to his owner. No additional injuries reported.
- One fire other/residential structure fire call was received from BSO deputies for ventilation of smoke at 4637 Bougainvilla Dr. A small fire had been ignited in the bedroom shower. The fire was investigated by the fire department, State Fire Marshal office and BSO.
- The department received 109 Emergency 911 medical calls for January 2010. The department was dispatched to 90 of those medical calls. 48 calls were cancelled by the on Duty Chief or Med12, the department assisted M12 on 42 of the medical calls. 19 medical calls were not dispatched to the department.
