SITE PLAN DETAILS

Site plans often do not include details that are necessary to issue a permit and delays are caused by rejections of initial applications. The following details are intended to be a guide to assist you in developing a site plan. A current survey of the property is most helpful. If a survey is not available a drawing depicting the area of the event should include these details, as necessary. More than a one page site plan may be included in your application if details of specific areas are important to your event.

Cooking Areas (cooking areas may need to be separated from public areas with fences or barricades)
Canopy locations (include the use, such as shelter or vending and the size of the canopy)
Tent locations (sales, food service, etc. Large tents will require illuminated exit signs and fire extinguishers)
Fuel Storage and dispensing areas
Vendor locations (booths or tables and approximate size)
Fire lanes (emergency access for fire equipment and EMS)
Trailers on site (sleeping facilities, service trailers, displays, etc.)
Hazards at the site (ditches, construction areas, obstructions to pedestrian traffic, bodies of water)
Fire Extinguishers
