Overview

In the month of December 2010, the volunteer Fire Department worked with the Chamber of Commerce with the Christmas by-the Sea Parade and sponsored Marie White Christmas by the Sea. The volunteer Fire Department introduced “Sparky, the fire dog” to the community. Sparky is a fire prevention aid, which will help provide fire prevention education to children.

The High rise Fire Safety Program was started. The Fire Chief and Fire Administrator visited the Fountain Head Condo and conducted a presentation which was well received by the owners and employees of the building. The second part of the program which will consist of a fire drill and fire extinguisher training will be set up at a later date.

The second set of life rings were installed on the beach and the beach poles received annual maintenance. Due to the extreme weather conditions the beach patrol hours were low this month.

Hydrant reflector markers were also installed on the roads to identify the hydrants.

The Volunteer Fire Department performed over 261 hours of public service to the town.

The volunteer Fire Department responded to 36 fire rescue calls within the time limits of our contract.

Responses:

The volunteer Fire Department responded to 36 fire rescue calls within the time limits of our contract.

- Out of 36 fire rescue calls, 15 of the fire calls were fire alarms, 10 elevator rescues, 5 accidents with injuries, 2 broken water pipes, 1 drowning, 1 residential structure fire, 1 HAZMAT and 1 bomb threat.
- A drowning call was received referencing a man possible drowning South of the pier. Beach patrol units and marine units responded to find a kite surfer exiting the water. Medical units assisted and checked surfer, who had no medical need.
- The residential fire was located @ 2021 Coral Reef Drive; the fire was due to the installation paper manual being attached to the interior of the A/C unit. The paper manual ignited and light smoke was coming from the unit. Minor damage was noted.
- The HAZMAT call was located at 275 East Commercial Blvd. Freon leaked in the building A/C unit. The building was evacuated and ventilated.

Lauderdale-By-The-Sea Volunteer Fire Department

- In both reported calls, no injuries were reported.
- The department received 97 calls to 911 for medical emergencies for December 2010. The department was dispatched to 86 of those medical calls. 54 medical calls were cancelled by the on Duty Chief or AMR, the department assisted AMR on 32 of the medical calls. 11 medical calls were dispatched to AMR only.

Training:

The Volunteer fire department has 36 regular in-town members and 22 Associate out of town members for a total of 58 active members.

- The Fire department held 8 drills which consisted of fire fighting skills, hose, ladder, aerial operations, & driver training.

In total, 258 hours were spent in December for training.

In closing, the Fire Department & the Administration staff are continuing to prepare for a revisit from the ISO to re-evaluate the town ISO rating February 1st, 2011.

Respectfully,

Steve Paine
Fire Chief

Town of Lauderdale-By-The-Sea
