**FY2012 DESIGNATED HIGH PRIORITY ITEM –  
PRIORITY TOPIC- BUILDING SERVICES CONTRACT**

## SUBJECT TITLE: ALTERNATIVE POLICE SERVICES

**EXPLANATION:** Last Spring when we were negotiating the BSO contract, the Commission asked me to do some initial research into possible alternatives to contracting with BSO. At that time, the Town Attorney and I reported back to the Commission that it was not legally permissible to contract with another municipality to provide the full range of police services and that the alternative, therefore, was to establish our own Department or do some sort of a hybrid of a Town Police Department that contracted with another police agency for some services.

The Commission decided to proceed with negotiations with BSO, but also directed me to place a discussion item on the topic again on the agenda at the first meeting in October.
