## Overview

In the month of October 2011, the Volunteer Fire Department assisted the chair on the Halloween committee with the organization of the Halloween event, in light of the unfavorable and unexpected weather conditions; the event was a success.

During the month of October, the Volunteer Fire Department focused on fire prevention for high-rises and training. A fire drill was conducted at the Fountainhead Condominium which was well received by the management and the residents who participated in the drill; the Volunteer Fire Department will continue to work with the high rises to increase awareness and education about fire prevention

The Smoke Alarm Awareness Program was initiated in Bel Air in conjunction with the Bel-Air Homeowners Association. The program was well received by the Homeowners Association which has encouraged residents to participate in this program. The program will be executed during the month of November.
