PRIORITY ITEM

SUBJECT TITLE: Purchase of Street Sweeper

EXPLANATION: At the June 14th Roundtable, after discussing agenda item 3i, there was a Commission consensus to purchase a street sweeper.

The sweeper recommended to be purchased is a Tennant 800 Street Sweeper. The price of the sweeper is \$61,283 (**Exhibit 1**) using the State of Florida Contract No. 365-001-06-1 pursuant to sec. IV.G, Cooperative Purchasing, of the Town Purchasing Manual.

We have specified that the sweeper comes with a stainless steel hopper, blower attachment, overhead guard, roadway lighting and 2 year 2000 miles parts/labor warranty. Tennant has agreed to allow a scrap trade in of \$4,781 for the Sweeper the Town currently owns (CN-200), but will allow the Town to keep the CN-200.

The CN-200 will be auctioned off at a later date.

RECOMMENDATION:

1. Authorize the transfer of funds shown in table 1
2. Authorize the purchase of a Tennant 800 Street Sweeper for \$61,283 from the State of Florida Contract No. 365-001-061-1.
3. Declare the CN-200 sweeper as surplus property and direct the Town Manager to explore the best means of disposing of the sweeper.
