Lauderdale-By-The-Sea Volunteer Fire Department

Overview

In the month of December 2011, the Volunteer Fire Department assisted the Chamber of Commerce with the Christmas by the Sea Celebration parade and the Volunteer Fire Department sponsored the Marie White Christmas by the Sea event. Both were very successful and went off without major incidents. In addition, the fire department performed their traditional Christmas gift drop off during Christmas Eve in which several residents of the town participated; the fire department contributed 185.5 hours of community service for these events.

During the month of December, the Volunteer Fire Department also continued its focus on fire prevention for high-rises; this month 12 high rise structures received their annual fire inspections. The Smoke Alarm Awareness Program will continue in the month of February in Palm club, Silver Shores and will also be available upon request from the fire department.

Responses:

The Volunteer Fire Department responded to 33 fire rescue calls within the limits of our contract.

- Out of the 34 fire rescue calls, 14 calls were fire alarms, 11 accidents with injuries, 2 possible drowning, 1 Hazmat, 4 commercial structure fire, and 2 Other Fire.
- The drowning calls were received referencing swimmers in distress. The VFD Ocean Rescue responded to these calls. Marine units made contact with subjects, whom in all calls were not in distress; no medical attention was needed.
- The HazMat call was received referencing a possible unknown substance at the Minto Sales parking area located at 4520 El Mar Dr. VFD units responded and established a safe area upon arrival. Engine 12 investigated package and found a cleaned seal bag with a biohazard label which contained an unidentified white powder. HazMat units from Fort Lauderdale and Broward Sheriff's Office responded. After Hazmat investigation, substance was picked up by Hazmat crews and taken to a lab for analysis. No reports have been provided by the BSO regarding the type of substance found at this time. No injuries or property damage was reported during this call.
- A structure fire call was received referencing a structure fire at 1972 Sailfish in Bel Air. VFD units responded and upon arrival discovered heavy black smoke coming out of the eaves of the structure. Fire was discovered in the children's room closet, fire was extinguished and overhaul was performed without incident. Florida State Fire Marshal was notified, cause of fire still under investigation. Engine 12 had a response time of 4:41 minutes and the Battalion Chief had a response time of 4:39 minutes. No injuries were reported.
