Overview

In the month of February 2012, the Volunteer Fire Department continued its focus on fire prevention for high-rises; this month 3 high rise structures received their annual fire inspections and 2 high rise safety education presentations were performed. The Smoke Alarm Awareness Program will continue in the Silver Shores area and is available upon request from the fire department.

Responses:

The Volunteer Fire Department responded to 33 fire rescue calls within the limits of our contract.

- Out of the 33 fire rescue calls, 17 calls were fire alarms, 6 accidents with injuries, 1 drowning, 1 residential structure fire, 4 elevator rescues, 1 electrical/utility fire, and 3 other fires.
- 1 drowning call was received referencing a swimmer in distress around the beach portal - located at El Mar and Datura Avenue. The VFD Ocean Rescue responded to this call. Upon arrival, beach patrol units made contact with the subject, whom was not in need of medical attention or rescue.
- 1 structure fire call was received referencing a structure fire at 4300 Seagrape Drive. VFD units responded and upon arrival heard an audible alarm and investigated. Engine 12's crew discovered smell of smoke coming from unit 4. Units attempted to reach occupants but there was no answer; forcible entry was required. Upon gaining access to the apartment unit, smoke was coming out of the kitchen area. Engine 12 crew investigated the source of the smoke and found that food was left unattended inside an operating oven. Fire did not progress due to the quick action of caller. No injuries were reported.
- The department received 96 emergency 911 medical calls. The department was dispatched to 88 of those calls of which M12 or the Chief on duty cancelled 59 of those calls. E12 assisted M12 on 29 of the medical calls.
