Overview

In the month of March 2012, the Volunteer Fire Department continued its focus on fire prevention for high-rises; this month 2 multi-family structures received their annual fire inspections and 2 high rise safety education presentations were scheduled for the month of April. The Smoke Alarm Awareness Program will continue into the month of April and will be available upon request from the fire department.

Responses:

The Volunteer Fire Department responded to 33 fire rescue calls within the limits of our contract.

- Out of 33 fire rescue calls, 7 were fire alarms, 10 accidents with injuries, 4 drowning calls, 1 vehicle fire, 7 elevator rescues, 1 smell of gas investigation, and 3 other fires.
- 1 drowning call was received referencing a swimmer in distress around Anglin's Pier; VFD ocean rescue units responded to this call. Upon arrival ocean rescue units made contact with the subject, whom was in need of medical attention for lacerations and abrasions caused by pier pillars. 3 other drowning calls were received referencing swimmers in distress. VFD ocean rescue units responded. Upon arrival, ocean rescue units made contact with the subjects, whom were not in need of medical attention or rescue.
- 1 vehicle fire call was received referencing a motorcycle on fire in the area of the Anglin's Square. VFD units responded and upon arrival discovered that the fire was put out a bystander with a dry chemical extinguisher. No injuries were reported.
- The department received 119 emergency 911 medical calls for March 2012. The department was dispatched to 100 of those calls, of which 72 were cancelled by the Chief on Duty or Med12. The department assisted M12 on 28 of the medical calls.
- In an effort to reduce the number of unwarranted medical calls dispatched to the fire department, the VFD will be updating the run card protocol in the month of April.
