**FY2012 DESIGNATED HIGH PRIORITY ITEM –**

**SUBJECT TITLE: FPL Streetlight Upgrade in Silver Shores**

**EXPLANATION:** At the May 8<sup>th</sup> Commission meeting, it was the consensus of the Town Commission to move forward with the street light fixture upgrade (from 70 watts to 100 watts) in the Silver Shores neighborhood. The installation cost for these 32 street light fixtures is \$4,815. As we mentioned at the meeting, the department needs an appropriation from the General Fund contingency account to cover the \$4,815 cost of the upgrade.

**RECOMMENDATION:**

1. Authorize the Town Manager to execute the contract with FP&L for the new lights and any documents necessary for the completion of the Street Light upgrade, including any change orders.
2. Authorize the transfer of \$4,815 from Account (001.519.000.500.497) General Fund Contingencies to the Account Public Works – Streetlight Maintenance (001.541.100.500.529).
