## Overview

In the month of May 2012, the Volunteer Fire Department continued its focus on fire prevention for high-rises and commercial properties; 89 multi-family structures and commercial properties received their annual fire inspections in this month.

During the month of May, The VFD worked on the planning and development of the 4<sup>th</sup> of July event under the guidance of Commissioner Vincent; we have been working in conjunction with town staff, public safety partners, and local business to provide a fun filled event for this event.

### **Responses:**

- Out of 32 fire rescue calls, 11 were fire alarms, 5 accidents with injuries, 1 elevator rescue, 1 utility fire, 1 elevator rescues, 6 drowning calls, 7 other fire calls.
- 6 drowning calls were received referencing a drowning; the VFD ocean rescue units responded to these calls. Upon arrival units assisted swimmers out of the water no significant medical assistance was required for any of the victims. No injuries were reported during these calls.
- There were 89 emergency 911 medical calls for May 2012. The department was dispatched to 24 of those calls, of which 9 were cancelled by the Chief on Duty or Med12. The department assisted M12 on 15 of the medical calls.
