FY2012 DESIGNATED HIGH PRIORITY ITEM - PRIORITY TOPIC

SUBJECT TITLE: Sun Trolley Service

EXPLANATION: Sun Trolley currently operates only in Ft. Lauderdale. It is a free bus service similar to the Pelican Hopper, which takes passengers to various points of interest in the city. Many residents of the Galt Ocean Mile have expressed interest in having the Sun Trolley service extended into Lauderdale-By-The-Sea, so they can visit our restaurants and shops without having to drive here. Patricia Zeiler, managing director of Transportation Management Association, which operates the Sun Trolley, will make a presentation about the service and explain what would be necessary to extend the service into LBTS.

EXPECTED OUTCOME: Presentation and discussion only
