TITLE: Parking Ordinance Draft

EXPLANATION: I would like a "show of Hands" whether the vote on Dec 7th truly reflects the majority wish for a "Temporary suspension program for three years with a review " or whether a "Parking elimination until such time program" is what the commission really wants. I do not want to waste staff time on providing an ordinance for first reading only to find it gets substantially changed before second reading. I do not want a repeat of the "Shed" ordinance since we as a commission need to reach agreement by the time staff draft an Ordinance for first reading .

RECOMMENDATION: After very careful consideration I personally see no overriding legal reason why the commission shouldn't adopt a "Parking elimination until staff brings back a report that here is a problem" as it conveys a totally different connotation of where we as a commission stand and our policy towards new restaurant businesses that want to invest in our town.
