Subject: Friedt Park Children's Play area in front of fire station

Hello Don,

I truly enjoy inviting friends and family to visit us in LBTS. The children's play area at Friedt Park is fantastic!!! We love the fact that it is so safe and close to the friendly volunteer Fire Dept!

Lately however I feel it is being neglected. I would like to know if you can address or comment on the following I observed:

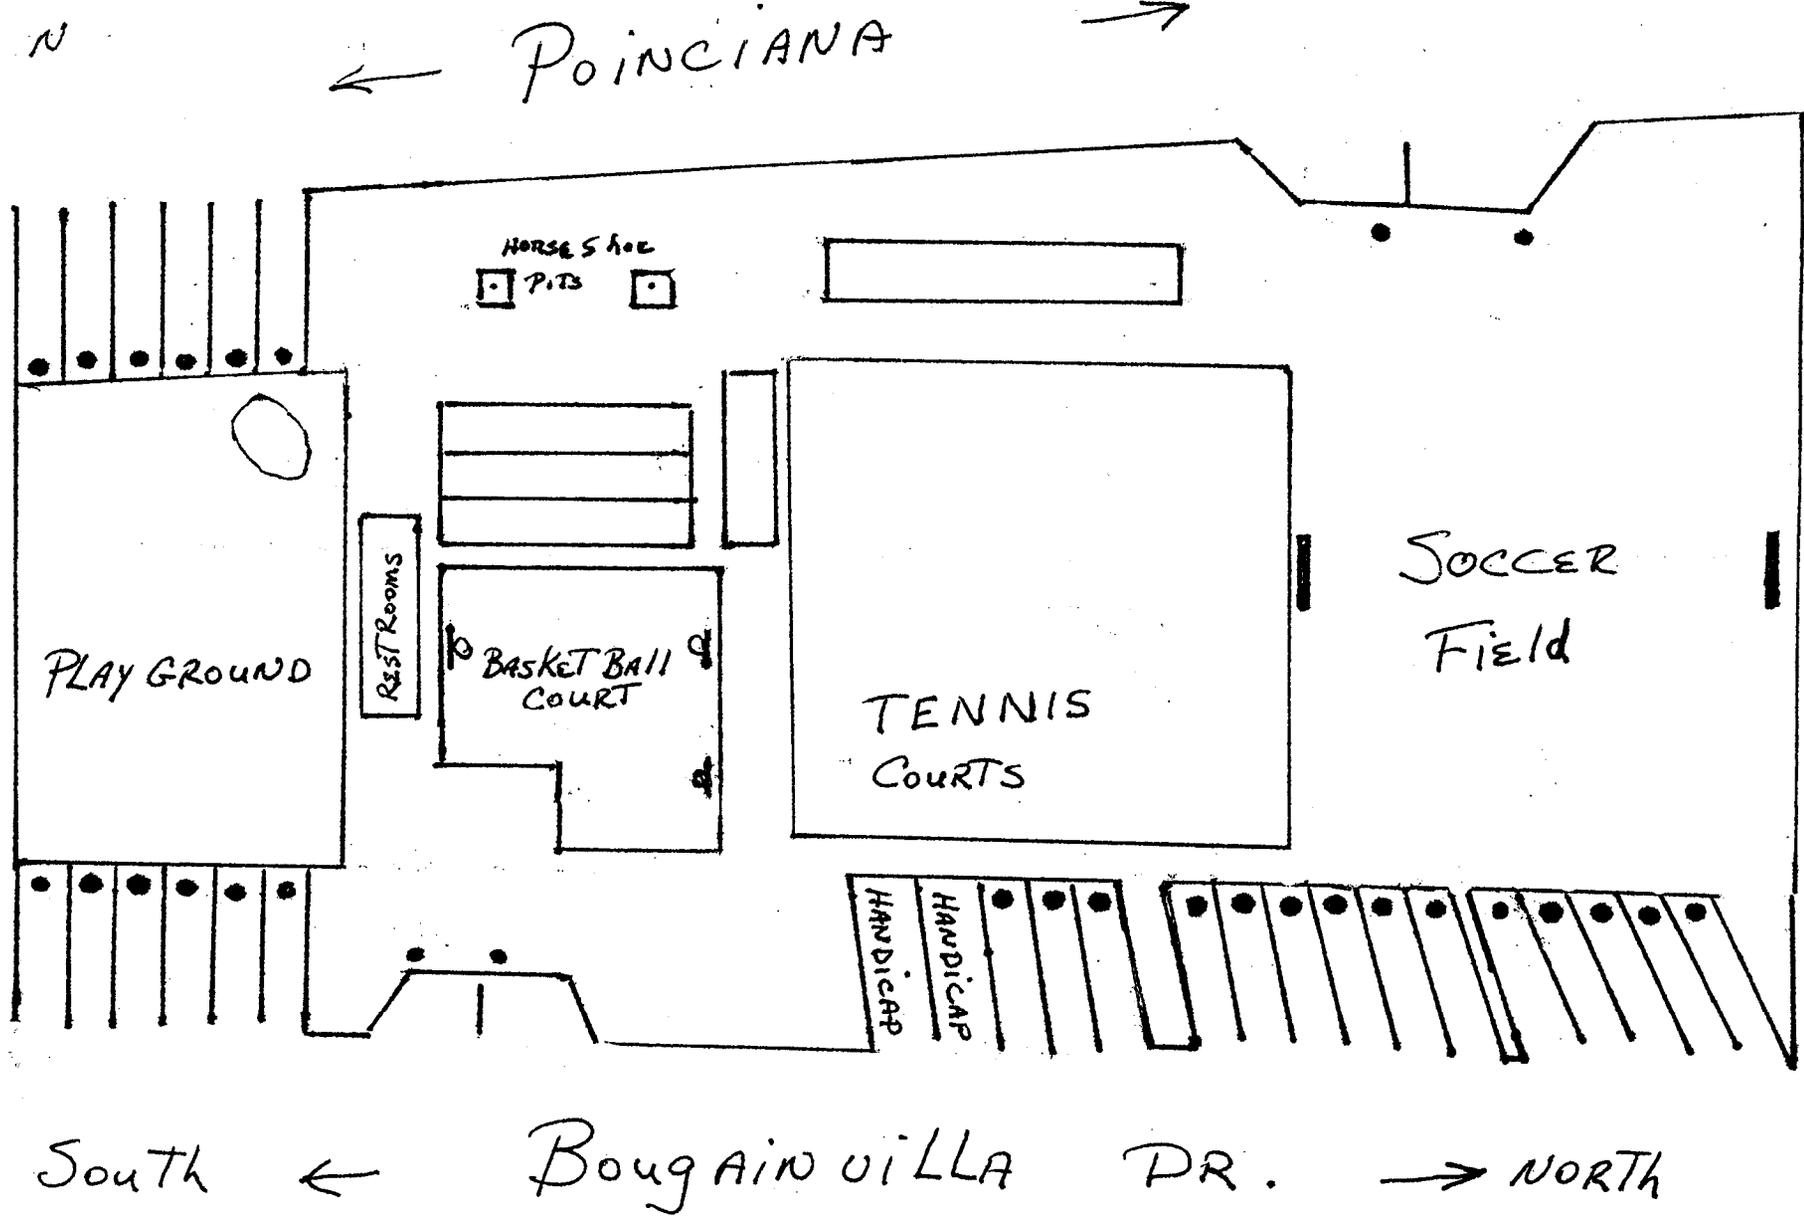

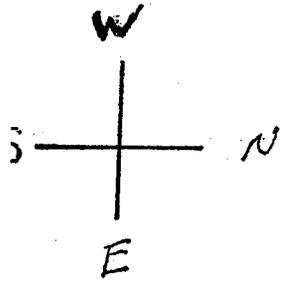

1. This weekend I hosted a birthday party for my daughter there and the south side gate was broken. It does not stay in the locked position.
2. The 1 garbage can in the play area was full and seems it had been full for a few days. Luckily I brought my own large garbage bag.
3. I notice that the "play area" parking spaces are always used by the hotel/visitors in that area. I watched people park there to go to the beach or go to the hotel or area town homes. Frankly shouldn't this be strictly for the park? Most often I walk there but at times when I have driven all the spots are occupied yet nobody in the park? I had to tell people to park at my house and walk over b/c no parking was available on Saturday.
4. The park can use new sand, when was the last time it was sanded?
5. The play area could use a good thorough cleaning/disinfecting and raking of leaves.
6. Can you request recycling bins to be placed in the park? Great way to continue to teach our kids to recycle and that LBTS is Green!
7. How often are the bathrooms cleaned?

I am sure you can appreciate my comments and questions since I am a resident of LBTS and enjoy inviting people to visit. As this is becoming a younger town I would like to see more attention to the playground area. We frequent Friedt Park quite often and enjoy the atmosphere it provides our children. Needless to say we had a great time this Saturday. Thank you in advance for your time.

I look forward to your comments.
