Overview

In the first week of September, Mutual Aid agreements with the City of Oakland Park, Fort Lauderdale and Pompano Beach Fire Departments were agreed to. Some minor details are still being worked out.

Members from the fire department attended a 911 ceremony at the Fire Fighter Memorial in Fort Lauderdale and the department participated in a climb at the Tower Club in Pompano Beach to reach a total number of 112 stories in memory of fallen fire fighters and police officers from New York City.

Response:

The Volunteer Fire Department was dispatched to a total of 87 emergency calls during the month of September.

- The Volunteer Fire Department responded to 23 fire calls.

Out of the 23 fire calls, 1 was a high rise fire which was located at 3900 North Ocean Drive and a HAZMAT call which was located at 4520 El Mar Drive; on the beach where a 95 gallon drum half full of ignitable liquid such as gasoline. HAZMAT team from City of Fort Lauderdale Fire Department and Broward County Fire Department were requested to respond via mutual aid.

- The Volunteer Fire Department also responded to 64 medical calls in which 38 were cancelled.

The Fire Chief and Fire Administrator are still working on Broward County Communication Center to change the dispatch cards to improve the services to the citizens of Lauderdale By-The-Sea.

Training:

- The Volunteer Fire Department has 37 regular members and 23 associates.
- Three members attended training at the Emergency Operations Center; for Incident Command on scale events; involving local, state and federal agencies.

Lauderdale-By-The-Sea Volunteer Fire Department

- Officer training was conducted at the administrative office training room involving large scale computer simulator; involving high rise buildings and commercial property in the town.
- The Volunteer Fire Department started a 40 hour First Responder medical training for continuing education.

The Fire Chief and Fire Administrator are currently developing a high rise safety and training presentation, as part of the fire prevention program for the citizens of Lauderdale By-The-Sea.

It was a very busy month for the Volunteer Fire Department
