TO ALL BIDDERS:

Title of RFP: **A1A Parking Lot Sign**

PROPOSALS DUE: October 10, 2013 at 2:00 P.M.

NOTE: The Proposal Due Date and hour remains unchanged.

The RFP referenced above is hereby modified as follows:

1. For the purpose of the RFP, the term "Project" or "Scope of Services" shall mean all aspects of construction and installation of the parking sign, which includes, but is not limited to:
 - a. The parking sign,
 - b. The parking sign footer/foundation,
 - c. Canopy (with letters) and support poles,
 - d. Benches,
 - e. Electrical hook-up to the existing electrical to the site,
 - f. Restoration of the site and re-placement of brick pavers at grade, and,
 - g. Acquiring a building permit, etc.
2. The two parking pay stations shown on the plans will be provided by the Town. The sign contractor will provide two 2 foot by 2 foot by 2 foot footers for the pay stations with the electrical conduit in the approximately in the middle for each footer. The exact location will be field located. The pay stations may be bolted to the sign footer if the sign footer extends to the right location. The Town will make the actual installation and electrical hook-up of the pay stations.
3. The location of the sign will be about 600 feet from the Atlantic Ocean. The coastal location results in a corrosive environment for metals. For this reason, the sign should be, to the extent possible and practical, constructed of aluminum with stainless steel hardware.

Please indicate in your proposal the proposed materials to be used in the sign.

Note: A signed acknowledgment of this addendum must be received by the Town Clerk's Office either prior to the proposal due date and hour or attached to your proposal.

Signature on this addendum does not substitute for your signature on the original bid document. The original proposal documents shall also be signed.

Sincerely,

Vanessa Castillo, CMC
Town Clerk
