5.1 Each bid shall be accompanied by a certified or cashier's check drawn on a national or state bank, or a bidders bond, in form acceptable to Town, payable unconditionally to Town, in an amount of five percent (5%) of the amount of the total base bid, as a guarantee that the Bidder will, if award is made, execute a contract for the Work for the bid amount and furnish any required certificates of insurance and bond documents as required. The bid bond shall be made payable to Town.

6.0 QUALIFICATIONS OF BIDDERS

6.1 Each Bidder shall complete the Contractor's Qualifications Statement provided herein, along with any other evidence of satisfactory experience, past performance and ability to perform the Work, and shall submit the same with the bid. Failure to submit the Qualifications Statement and all other documents required hereunder will constitute grounds for rejection of the bid as non-responsive.

6.2 The Bidder may be disqualified and the bid rejected for any of the following reasons, which are by example and not limitation:

6.2.1 The bid is not responsive.
6.2.2 Reason to believe that collusion exists among Bidders.
6.2.3 Determination of lack of responsibility or competency as may be revealed by qualification statements, financial statements, experience records or other evidence.
6.2.4 The Bidder's uncompleted work load, which in the judgment of the Town may cause detrimental impact on prompt completion of this Project.
6.2.5 The Bidder is or has been involved in any litigation against the Town.
6.2.6 The Bidder has defaulted on any previous contract, or is in arrears on any existing contract on any public or private matters.
6.2.7 The submittal of more than one bid from an individual, firm, partnership, corporation or association under the same or different names.
6.2.8 The Bidder's previous work with the Town has resulted in claims from third parties or subcontractors.

6.3 The Town reserves the right to make a pre-award inspection of the Bidder's facilities and equipment prior to award.

6.4 It is a requirement of this bid that there are no related party transactions between the Bidder and any employee, agent or contractor of the Town. Any Bidder who is a related party, as described herein, will be considered non-responsive and the proposal and the bid bond will be returned. A Bidder will be considered a related party if the Bidder has an ownership interest or is in any way related to an employee, agent, consultant or contractor, and can influence the management or operating policy of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interests.

6.5 PUBLIC ENTITY CRIMES ACT - In accordance with the Public Entity Crimes Act, (Section 287.133, Florida Statutes) a person or affiliate who is a contractor, who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to the Town, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases or real property to the Town, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with the Town in excess of the threshold amount provided in Section 287.017, Florida Statutes, for Category Two for a period of 36 months from the date of being placed on the convicted vendor list. Violation of this section by the Contractor shall result in rejection of the bid, termination of the contract, and may cause Contractor debarment.

7.0 AWARD OF CONTRACT

7.1 The award of the contract will be to the lowest responsive and responsible Bidder, whose qualifications indicate the award will be in the best interest of the Town and whose bid complies with the requirements of the requirements specified in this solicitation. In no case will the award be made until all necessary investigations have been made into the responsibility of the Bidder(s) and the Town is satisfied that the Bidder(s) is qualified to do the Work and has the necessary organization, capital and equipment to carry out the Work within the specified timeframes.

7.2 The Town will provide a written notice of the award to the lowest responsive and responsible Bidder. A notice of award does not constitute an offer by the Town and is not a contract. Bidders should note that award selection may be exempt from any local preference described in the Town Code of Ordinances if application of such a preference causes conflict with the requirements of the Project funding source.

7.3 Until final execution of contract, the Town reserves the right to reject any and all bids, with or without cause; to waive any informality or irregularity; or to accept the bid(s) which is in the best interest of the Town. A contract is not binding on the Town until it is properly authorized and fully executed.

7.4 In the event the apparent lowest responsible Bidder does not execute the contract or provide insurance and bonds as required, or in the event Town becomes dissatisfied with the contract performance of the lowest responsible Bidder, the Town reserves the right to award a contract for the Work to successive low responsible Bidders to this solicitation.

7.5 The Town reserves the right to award a contract to more than one Bidder. No specific quantity of Work is guaranteed to be provided unless so specified elsewhere herein or in a fully executed contract.

8.0 EXECUTION OF CONTRACT AND CONTRACT DOCUMENTS

8.1 A Bidder shall be notified of the Town's selection in writing and shall be provided a contract upon Notice of Award.

8.2 A Bidder is required to execute the contract and submit all requested certificates of insurance and performance and payment bonds, as required in the contract, within three business days of receipt of Notice of Award. Payment and performance bonds will be required unless specified otherwise in this solicitation or the contract.

9.0 FAILURE TO EXECUTE THE CONTRACT

9.1 Failure of a Bidder to execute the contract and submit insurance certificates and bonds as required may, At Town's option, result in a draw on the bid bond by the Town. Each Bidder agrees in advance that the Town will likely sustain damages in these circumstances too difficult to ascertain. Accordingly, if the award is

forfeited under this section, the amount of the bid bond of the forfeiting Bidder may be retained by the Town, not as forfeiture or a penalty, but as liquidated damages. The Town may, but is not required to award the contract to the next lowest responsive and responsible Bidder, or the Town may, but is not required to reject all bids and/or re-advertise the Work.

10.0 RETURN OF THE BID BOND

10.1 All bid bonds of unsuccessful Bidders will be returned after the earlier of: full execution of a contract, or 120 days after the closing date of the bid.

11.0 MODIFICATION AND WITHDRAWAL OF BID

11.1 Prior to the date and time of bid opening, a Bidder may withdraw his bid at any time.

11.2 After the bid opening, no bid may be withdrawn, canceled or modified for 120 days from the date of bid opening. Prices submitted shall be guaranteed for 120 days, unless specified elsewhere herein.

11.3 The Town reserves the right to ask Bidders if they will honor prices submitted beyond 120 days, however there is no requirement for a Bidder to do so.

12.0 OPENING OF BIDS

12.1 Bids submitted will be opened publicly and read aloud at the time and place stated in the Invitation to Bid.

12.2 The Bidder agrees to maintain the terms of the bid for 120 days from the date and time of bid opening.

12.3 Bids will be reviewed for responsiveness. Any non-responsive bid may be rejected. Responsive bids shall initially be calculated using the total base bid. Selection of the lowest responsive and responsible bidder may be based upon the base bid or any alternates included.

13.0 CONTRACT TIME AND PERFORMANCE

13.1 The Work to be performed under the contract documents shall be commenced as required in a written Notice to Proceed issued by the Town.

13.2 By virtue of the submission of its bid, Bidder agrees and fully understands that the completion time of the Work is an essential and material condition of the contract and that time is of the essence. The successful Bidder agrees that all Work shall be prosecuted regularly, diligently and uninterrupted at such rate of progress as will ensure full completion thereof within the time specified. Bidder understands the contract shall include a liquidated damages provision relating to Work that is

delayed in completion. The Work shall be commenced within 5 days after issuance of the Notice to Proceed, substantially completed within 30 days from the commencement of the Work, and fully and finally completed within 45 days thereafter.

13.3 A liquidated damages provision shall be included in the contract.

This Agreement for _____, made and entered into this _____ day of _____, 2012 by and between the Town of Lauderdale By-The-Sea, hereinafter called the "Town" and _____, hereinafter called the "Contractor."

WITNESSETH:

The Contractor, in consideration of the sum to be paid to him by the Town, and other good and valuable consideration, hereby agrees with the Town as follows:

2. Payment. Town shall pay Contractor the sum of $_____ as compensation for the Work. Upon completion of the Work, Contractor shall submit a written itemized statement identifying the Work order number, the nature of the Work performed, units provided and/or hours performed, as applicable. For these purposes "substantial completion" means a level of completion indicating substantial compliance with the Contract Documents such that the Town can have beneficial use or occupancy of the Work in all respects for its intended purpose.

6. Default/Termination.

A. Termination for Default. This Contract may be terminated by Town upon five (5) calendar days' written notice to the Contractor for breach of any material term or condition of this Contract, for failure to perform the Work in a diligent, efficient, workmanlike, skillful, careful manner and in accordance with the provisions hereof, in the event the Contractor is adjudged bankrupt or has made an assignment for the benefit of creditors, has become insolvent, or for failure to make payments to laborers, subcontractors or materialmen. In such event, Town shall provide a description of the nature of the default in a written notice and if Contractor has not fully cured such default within the aforesaid five (5) day period, the Town shall have the right to terminate the Contract. In the event that Contractor abandons this Contract or causes it to be terminated by the Town, the Contractor shall and hereby does indemnify, defend and hold harmless the Town against any loss pertaining to this termination. In the event of such termination, if the Contractor has neglected to perform Work properly or abandons the Work or the Work is incomplete, without prejudice to any other remedy available to Town, the Town may make good all Work, may use all equipment left remaining at no cost to Town, and may take such action as may be necessary in the circumstances to resolve any public safety or welfare issues with no liability or consequences therefore. If after such termination it is determined that the Contractor was not in default or sufficient cause for termination did not exist, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Town as described herein below.

B. Termination for Convenience. This Contract may be terminated by the Town for convenience upon five (5) calendar days' written notice to the Contractor. In the event of such a termination, the Contractor shall incur no further obligations in connection with the Contract or Work and shall, to the extent possible, terminate any outstanding obligations relating thereto. The Contractor shall be compensated for all Work performed to the satisfaction of the Town

7. Assignment. Contractor may not assign this Contract without the written approval by Town, which may be withheld in Town's sole discretion.

8. Changes to Contract. Any changes to the terms of this Contract must be contained in a written amendment, executed by the parties hereto.

9. Independent Contractor. This Contract does not create an employee/employer relationship between the parties. It is the intent of the parties that Contractor is an independent contractor under this Contract and not the Town's employee for any or all purposes, including, but not limited to, the application of the Fair Labor Standards Act, minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Workers Compensation Act, and the State unemployment insurance law. No officer or employee of the Town, during his or her term of employment or for one year thereafter, shall have any interest, direct or indirect, in this Contract or the proceeds thereof. No Contractor shall give, solicit for, deliver or provide a campaign contribution directly or indirectly to a candidate, or to the campaign committee of a candidate, for the offices of mayor or commissioner of Town.

10. Insurance. Contractor shall provide evidence of insurance to the Town that complies with the insurance laws of the state of Florida, including workers compensation insurance as required by law, and liability insurance as required below, issued by an insurance company rated B+ or better (A.M. Best rating), together with an endorsement naming the Town as an additional or named insured.

Comprehensive General Liability Insurance	$1,000,000.00; $2,000,000.00 Aggregate
Workers' Compensation Insurance	Statutory requirements
Comprehensive Automobile Liability Insurance	$_____

11. Contract Documents. All Work shall be performed in a professional manner and form as required by all applicable Federal, State, and local rules, regulations, laws, codes, and ordinances, including without limitation Fla. St. Ch. 119 (Public Records), and in accordance with the Contract documents (the "Contract

Documents") which are fully incorporated herein and made a part of this Contract for all purposes and are as follows:

This Contract, including exhibits and amendments;
Work Orders;
Notice to Proceed;
Request for Proposal or Invitation to Bid;
Contractor's Proposal or Bid.

In the event of any conflict between the individual Contract Documents, they shall govern in the order listed above.

The Contract Documents as described herein, together with any exhibits, constitute the final and entire agreement between the Contractor and Town and contain all of the terms and conditions agreed upon. No other agreements, oral or otherwise, regarding this Contract shall be deemed to exist or to bind either party, unless same be in writing, dated subsequent to the date hereto, and duly executed by the party to be charged.

12. Severability. Should any provision, paragraph, sentence, word, or phrase contained in this document be determined by a court of competent jurisdiction to be invalid, illegal, or otherwise unenforceable under the laws of the State of Florida, such provision, paragraph, sentence, word, or phrase shall be deemed modified to the extent necessary in order to conform with such laws, and the remainder shall remain unmodified and in full force and effect.

13. Waiver of Jury Trial. Town and Contractor knowingly, irrevocably, voluntarily and intentionally waive any right either may have to a trial by jury in state and or federal court proceedings in respect to any action, proceeding, lawsuit or counterclaim based upon this Contract and/or arising out of, under, or in connection with the Work performed hereunder, or any course of conduct, course of dealing, statements or actions or inactions of any party hereto.

14. Prevailing Party. If either the Town or Contractor is required to enforce the terms of this Contract by court proceedings or otherwise, whether or not formal legal action is required, the prevailing party shall be entitled to recover from the other party all such costs and expenses, including, but not limited to, court costs, and reasonable attorneys' fees.

15. Notice. Whenever any party is required to give or deliver any notice to any other party, or desires to do so, such notices shall be sent via certified mail or hand delivery to:
