

PUBLIC HEARINGS ON PARKING IN LAUDERDALE-BY-THE-SEA, FL

Monday, July 14th - 6PM
Tuesday, July 15th - 9AM

Jarvis Hall, 4505 N. Ocean Drive, LBTS

The **Town of Lauderdale-By-The-Sea** has scheduled two public hearings next week for residents and business owners to solicit feedback on key parking issues facing the Town.

The hearings are **Monday at 6PM** and **Tuesday at 9AM** in **Jarvis Hall, 4505 N. Ocean Drive** (next to Town Hall).

The **Town Commission** has retained **Desman Associates** to prepare a **Strategic Parking Plan**. Desman has been busy collecting data and becoming familiar with the critical parking issues facing our community today and in the future. At each of the hearings, Desman representatives will present an overview of the Strategic Parking Plan's objectives.

Desman will then seek opinions from residents and business owners. It is critical for Desman to understand your perspectives and ideas on key parking issues, which they will take into account before formulating its final recommendations and presenting them to the Town.

The suggestions you provide at these public hearings will also be shared with the Town Commission. Since the Commission will be making key parking decisions based on Desman's findings, it is imperative that we hear from you! Please attend and give us your feedback.

There will be other opportunities for the public to provide input when the Draft Plan is presented to the Commission later this year.

Thank you and please tell your neighbors and friends about next week's hearings.

Mayor Scot Sasser
