

PLANS REVIEW & BUILDING INSPECTION SERVICES 11-08-01 ADDENDUM 1

Questions submitted have been combined and answered below.

1. Where is the office located that will be provided to the building code services provider and used to receive permit plans and applications?
Town Hall annex at 4501 N Ocean Blvd, Lauderdale-by-the-Sea
2. Will the Town provide and maintain computers and phones to use at the Town's office where the building code services provider will receive permit plans and applications?
Contractor must supply own computers. Current contractor provides their own phones & phone service. Town is willing to put contractor on Town's phone service and provide phones if contractor reimburses Town for the costs. RFP response must specify if that is desired.
