

# INFORMATIONAL MEETING: SR A1A LANDSCAPING PROJECT SET FOR 2011

SEPT, 21, 2010  
6 - 8 PM  
JARVIS HALL

The Town of Lauderdale-By-The-Sea was awarded a state grant to beautify State Road A1A (Ocean Drive) between Pine Avenue and Terra Mar Drive. Construction begins in 2011. Besides landscaping, the sidewalks at several intersections and bus stops will be replaced with brick pavers. The Town wants all its residents to know about the changes proposed in front of their property!

All concerned residents are invited to an informational Town meeting on Tuesday, Sept. 21st at 6 PM in Jarvis Hall (4505 Ocean Drive) to talk with project designers from PBS&J about the completed conceptual design.

Following the informational meeting, the Town's Master Plan Steering Committee will convene at 7 PM to discuss the project. The MPSC will welcome public comments at this time from all residents on the project.

FOR MORE INFO, CONTACT ASSISTANT TOWN MANAGER BUD BENTLEY  
OR PUBLIC INFORMATION OFFICER STEVE d'OLIVEIRA AT 954-776-3611.
