# Lauderdale-By-The-Sea Volunteer Fire Department

---

## Overview

In the month of July 2011, the Volunteer Fire Department in conjunction with, AMR, BSO, town staff and businesses participated in the July 4<sup>th</sup>, Independence Day celebration and the Volunteer Fire Department's 50<sup>th</sup> year anniversary.. Unfortunately, this day was clouded by a tragedy for the family of Carrington Clark during our Ocean Rescue demonstration. The Volunteer Fire Department extended their sympathy and support to the Carrington Family.

The Firework show was a huge success and occurred without incidents; the team worked well between all public service agencies as a direct result in providing the town with a fun and safe environment for the residents and visitors of the town.

The Volunteer Fire Department provided a total of 1012 hours of volunteered hours for this event, which included 450 hours for beach patrol and 566 hours of volunteer time for the event.

The Volunteer Fire Department has initiated the Smoke Alarm Awareness Program, which includes education about smoke alarms and battery replacement for single family homes. The Volunteer Fire Department will start the program on the Terra Mar Island tentatively on September 17, 2011.

### Responses:

The Volunteer Fire Department responded to 21 fire rescue calls within the limits of our contract.

- Out of 40 fire rescue calls; 1 call was a commercial structure fire, 1 a Hazmat, 12 were fire alarms, 4 accidents with injuries, 4 drowning, 4 elevator rescue, 6 electrical hazard and 8 other fire.
- A Hazmat call was received referencing a 10 gallon container that had washed up on the beach around the 1850 S. Ocean Blvd. VFD units responded to the call and found a 10 gallon container with an unknown substance. The container was picked up and disposed of by a hazardous material company; no hazmat units were required for this call and no injuries were reported.
- One drowning call was received during the 4<sup>th</sup> of July Ocean Rescue demonstration. The VFD and AMR were already on scene when this call was dispatched. Ocean rescue members rescued 3 children from the surf. An 8 year old child was found with the assistance of a BSO helicopter and was removed from the water. VFD members provided care for the child as he was transported to the hospital, where he was later pronounced deceased. No other injuries were reported and Fire Department members in the call receive Critical Incident Stress Debriefing counseling after the call.

# Lauderdale-By-The-Sea Volunteer Fire Department

---

- Three drowning calls were received referencing a possible drowning. The VFD Ocean Rescue responded; all swimmers were found in no distress and no medical attention was needed.
- The department received 73 emergency 911 medical calls. The department was dispatched to 73 of those medical calls. 61 calls were cancelled by the Chief on duty or Med12, the department assisted M12 on 12 of the medical calls.

## Training:

The Volunteer Fire Department has 33 Regular in-town members and 24 Associate out of town members for a total of 57 active members.

The Fire Department held 10 regular drills, 2 Ocean Rescue drills and 13 specialized training session, which consisted of the following:

- 289.5 Hrs – Fire fighter skills: Includes Hose, Aerial Ops, Tools, Knots, SCBA and Extrication.
- 212.5 Hrs - Hrs - Fire II – Bridge Class
- 62 Hrs – Ocean Rescue Drills
- 10.5 Hrs – Legal Issues for the Safety Officer

A total of 574.5 hours were spent in training for the Month of July.

In closing, the Fire Department staff will continue continue the implementation of the Smoke Alarm Awareness Program and the Extinguisher training program for businesses. In addition, the Volunteer Fire Department will continue to improve fire department members training, as required by ISO.

Respectfully,

Steve Paine  
Fire Chief
