

BACK TO THE FUTURE!

Don't miss the opportunity to help shape the Town's appearance for the next 25 years!

Professional architects and designers from the University of Miami's School of Architecture are coming to help us make the Town even more pedestrian-friendly and livable, and to improve business opportunities. Your opinions and ideas at this important interactive session -- as well as during the week -- are welcomed and encouraged!

DESIGN CHARRETTE SATURDAY, MAY 21 9AM - 12PM JARVIS HALL

UM will develop building, park and roadway concepts for State Road A1A from Pine to Palm Avenues, for Town Hall & El Prado, and for Commercial Boulevard from the ocean to the Intracoastal Waterway. The UM design team will be working in Jarvis Hall from 9AM - 5PM on May 22, 23, 24 and 25. Town residents and business owners are invited to visit, observe and express their opinions on these days too.

The Town Commission will review UM's plans at a May 26 workshop at 6 PM.
