SE19TH STREET (CORAL REEF DRIVE) 99 PERCENT COMPLETE

The **Southeast 19th Street** drainage project is done!

Background

To alleviate serious flooding in Bel Air, new drainage pipes were installed on SE 19th west of Southeast 21st Avenue and along Southeast 19th Avenue.

The project was initiated after the drainage system installed by Broward County had collapsed. The Bel Air neighborhood was located in unincorporated Broward before it was annexed into the Town of Lauderdale-By-The-Sea back in 2001.

The project was initiated after the drainage system in the neighborhood installed by the County had collapsed.

Construction on the project began Feb. 5.

If residents have questions or concerns, please call **Municipal Services Director Don Prince** at **954-275-0908**. His e-mail is donp@lbts-fl.gov.
