

## **SOUTH BOUGAINVILLE DRIVE MEDIAN PARKING SPACE PROJECT**

**MAY 31, 2013**

FOR MORE INFO, CALL PUBLIC INFORMATION  
OFFICER STEVE d'OLIVEIRA AT 954-640-4209.

### **26 NEW TOWN PARKING SPACES ADDED**

The construction aspect of this parking project is done! The project came in \$30,000 under budget and was finished a month ahead of schedule!

Twenty-six new parallel parking spaces were added along with four new median islands. These new spaces are vital to the Town, because some parking will be lost on Anglin's Square when the streetscape project there begins in the spring.

Bougainville Drive south of Commercial Boulevard was one of the few locations in the Town where more parking could be added within the existing right-of-way.

The parking project will help slow traffic on this open section of the street, add much needed landscaping and provide parking to Town residents and visitors.

New parking meters along the street were recently installed.
