VOLUME 19, ISSUE 10

OCTOBER 2006

Town News

NOVEMBER BALLOT ISSUES

Town voters will vote on four ballot questions in November. The referendum issues include the Town's proposed amendments to the Charter on height limits, term limits for Mayor and Town Commission, and whether residents with home-based businesses need occupational licenses.

TOWN WAS PREPARED

Learning valuable lessons from Hurricane Wilma in 2005, the Town was better prepared when Tropical Storm Ernesto threatened South Florida in August. Town Manager Robert Baldwin said the Town was prepared for a hurricane. "You have to have a lot of redundancies, especially with communications," Baldwin said.

UPGRADE YOUR CONTAINER

Single-family homeowners in Town can increase the size of their garbage containers at no extra cost. Containers come in 36, 64 and 96 gallon sizes. To upgrade to a larger container — at no cost — please call Waste Management at 954-974-7500.

NO ANONYMOUS MAIL

For security reasons, Town Hall will not accept letters either dropped off or mailed to us without a name and return address. When paying your Town bills, be sure to include your name and address.

FREE!

HALLOWEEN PARTY AND HAUNTED HOUSE SET FOR OCT. 31ST!

Children in **Lauderdale-By-The-Sea** are invited to attend a **Halloween Party & Haunted House** on **Tuesday, Oct. 31st** from **6 to 8 PM** in **Jarvis Hall**.

The annual event is sponsored by the **Mayor, Town Commission** and the **Volunteer Fire Department**.

There will also be supervised trick or treating — starting promptly at 6 PM — in front of **Town Hall** at **4501 Ocean Drive**, which is adjacent to Jarvis Hall. There will also be a **costume contest** for children of three different age groups: **0-4, 5-8 and 9 & up**.

The first place prize is a \$25 gift certificate from **Toys R' Us**. Second place is \$15 and third place is \$10.

If you have any questions, please call Town Hall at **954-776-0576**.

TOWN TOPICS

Town Topics is published at the beginning of each month and is also available on the Town's Web site. Ads can be dropped off at Town Hall and are only accepted from businesses with bonafide Town occupational licenses. Articles can be submitted via e-mail to the Town's Public Information Office at lbtspio@yahoo.com.

Oktoberfest set for Saturday, Oct. 21st

Make plans to join members of the **Lauderdale-By-The-Sea Property Owners Association** for **Oktoberfest** on **Saturday, Oct. 21** from **6 to 9 PM** at **Jarvis Hall** for an evening of fun, food, entertainment and camaraderie.

The Oktoberfest celebration last year was a great success. All that's needed this year is more people who want to have a great time! Attendees are asked to bring a covered dish with a German flair to share with everyone. Pork roasts will be provided by the association.

Members of the **Volunteer Fire Department** have generously offered to serve beer and wine during the event. Steins to take home will be given out by the association.

For more information, to RSVP or to check on what dish you might want to bring, call **President Cindy Geesey** at 954-776-5974. □

POA sponsoring meeting on November ballot issues

The **Lauderdale-By-The-Sea Property Owners Association** will hold an informational meeting in October about the Town Charter questions on the November ballot. The meeting is **Thursday, Oct. 19th at 7 PM in Jarvis Hall**.

In keeping with its history of holding "Meet the Candidates" nights prior to elections to inform voters, there will be a special meeting to educate voters on the referendum questions. Both sides of each issue will be presented. □

MEETINGS GUIDE

Town Commission

OCT. 10 - 7 PM
 OCT. 24 - 7 PM

NOV. 14 - 7 PM
 NOV. 28 - 7 PM

The Town Commission meets on the second & fourth Tuesdays of the month in Jarvis Hall. The pre-meeting agenda conference is at 6 PM and is open to the public. Meeting notices are also posted on Channel 78.

Board of Adjustment

Meets as needed on the third Tuesday of the month at 3 PM

Planning & Zoning

OCT. 18 - 6:30 PM
 NOV. 15 - 6:30 PM

Meets as needed on the third Wednesday of the month at 6:30 PM

Parking Hearing

OCT. 3 - 3 PM

Code Compliance

Meets as needed on the first Tuesday of the month at 2:30 PM

Master Plan Steering Committee

OCT. 16 - 6:30 PM
 NOV. 20 - 6:30 PM

TOWN MEETING DATES SUBJECT TO CHANGE.

PUBLIC ACCESS

- The Town Commission agenda & backup materials can be reviewed in Town Hall from 9AM - 4:30 PM. The agenda is also posted on our Web site: www.lauderdalebythesea-fl.gov
- Commission meetings are televised live on Channel 78 and are also re-broadcast at noon on Wednesday, Friday and the following Monday, unless preceded by a workshop meeting.
- The Town will provide appropriate auxiliary aids and services as required under the federal Americans with Disabilities Act. **Town Topics** will be read, upon request, to those persons with visual impairments. Persons with disabilities should contact the Town Clerk at 954-776-0576 for further assistance in accessing Town information important to you.

Terra Mar homeowners notified to connect to new sewer system

Homeowners on **Terra Mar Island** were officially notified by the **Town** in September to begin hooking-up to the Town's new sewer system. The Town mailed letters to property owners in mid-September. If you are a Terra Mar resident and did not receive a letter, call **Municipal Services** at **954-776-5119**.

Homeowners have until **mid-December** to abandon their septic tanks and connect to the sanitary system. As of mid-September, 34 of Terra Mar Island's 140 homeowners had already begun the process by applying for permits.

After connecting to the sewer system, homeowners will begin paying monthly sewer charges to

the **City of Pompano Beach**, which provides sewer service to our Town. Pompano Beach also plans to charge Town residents a onetime sewer connection charge of \$125 and a base capital recovery fee of \$720 shortly after homeowners apply for a permit to hook into the sewer system. These are **not** Town charges. If you have any questions about these fees, call **Pompano Beach's Customer Services Department** at **954-786-4637**.

Under the City of Pompano Beach's ordinance, any property owner who fails to connect their homes to the new system by **April 1st** will be billed by the City as if they were connected. □

MONTHLY BULK PICK-UP DATES

Here are the Town's monthly 2006 bulk collection pick-up dates for the remainder of the year. The 2007 dates will be published in the January Town Topics.

SOUTH OF COMMERCIAL

10/05/06

11/02/06

12/07/06

NORTH OF COMMERCIAL

10/06/06

11/03/06

12/08/06

For Sale

Pro-Form Cooling Breeze Treadmill Exerciser. Full monitor panel & fan. Like new. Used a few times. \$400 or best offer. Call 954-776-4988.

For Sale

Three white wooden twin beds with mattresses. \$50 each. One oak twin bed with mattress, two drawers beneath, \$75. One dark wood bunk bed with mattress, \$100. One white juvenile six-drawer dresser, vertical, \$50. One white juvenile, six-drawer dresser, horizontal, \$50. Tall white bookshelf, \$30. Call 954-771-0821.

North Beach residents will receive containers

Single-family homeowners in the Town's **North Beach Area** should receive a green, 96-gallon roll-out container from **Waste Management** by mid-October. This will replace your bags, pails and bundles. Once the containers are distributed, you must place refuse in the container.

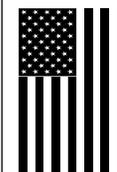

Your waste pick-up dates will remain the same. Monthly bulk pick-up & recycling dates will also remain the same. □

Town Hall seeks design ideas for patriotic banners

The **Town Commission** has allocated \$25,000 in FY 06-07 for patriotic banners, but is seeking feedback on design from residents.

Please drop off or mail your ideas or design to **Town**

Hall, 4501 Ocean Drive, Lauderdale-By-The-Sea, FL 33308. □

Take the necessary steps to protect your property from severe storm flooding

Congress created the **National Flood Insurance Program (NFIP)** in 1968 to provide affordable flood insurance to people who live in areas with the greatest risk of flooding — Special Flood Hazard Areas (SFHAs).

The NFIP makes federally-backed flood insurance available in communities that agree to adopt and enforce floodplain management ordinances to reduce future flood damage. This is important since property owners who hold a federally-backed mortgage must purchase flood insurance if the property is located within a SFHA.

The **Community Rating System (CRS)** is a program developed by the **Federal Insurance Adminis-**

tration to provide incentives for NFIP communities that implement more stringent floodplain standards than the minimum NFIP requirements. The CRS rewards these efforts with discounts on flood insurance premiums. The **Town of Lauderdale-By-The-Sea** currently holds a **Class 8** CRS rating.

This classification equates to a 10 percent discount on new or renewing flood insurance policies for all SFHA properties and a 5 percent discount on policies for non-SFHA properties.

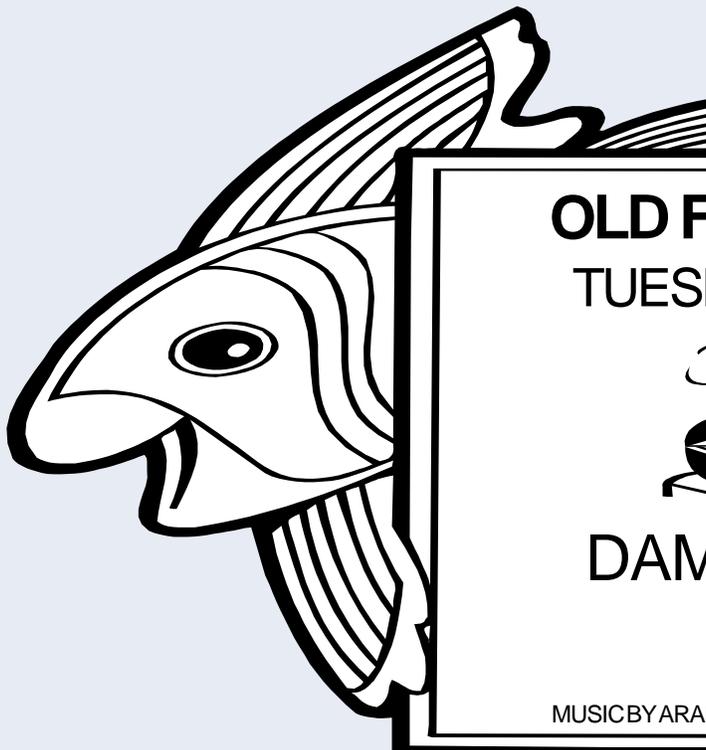

In Lauderdale-By-The-Sea, there

are about 1,800 flood insurance policies in effect. Annually, the Town's CRS Class 8 rating generates \$40,000 in savings on flood premiums. Since flooding is the most common natural disaster, it is important you obtain the maximum protection.

You can purchase flood insurance irrespective of where you reside — in high, moderate or low risk areas, and there is no exclusion as to what type of ownership you represent (i.e., homeowner, renter or business owner). Since it has been determined that your property lies within a flood hazard area, the following information and tips may be of interest to you.

(See **FLOOD** on Page 6)

THE LBTS CHAMBER OF COMMERCE INVITES YOU TO ITS ANNUAL...

FLOOD (continued from Page 5)

Please refer to this fact sheet in the event of an impending hurricane, tropical storm or notification of projected heavy rainfall. During extended periods of heavy rainfall, low lying areas within Town may flood. This information is offered to help protect your property and reduce potential flooding losses.

MAP DETERMINATIONS

The Town provides Flood Insurance Rate Map (FIRM) determinations to inform you if you are in a flood hazard area and if you are

required by federal law to carry flood insurance. To determine if your property is in the Special Flood Hazard Zone (AE or VE zones), call (954) 776-3611.

FLOOD WARNING SYSTEM

The Town and **Broward County** depend on the **National Weather Service** for flood notification. The NWS will issue flood advisories at least six hours prior to expected heavy rainfall that could cause drainage systems to overflow and create inland ponding of flood waters and the isolation of residential/business areas. Listen to the radio for up-to-date forecasts.

FLOOD SAFETY

When you are ordered to evacuate, turn off utilities at the main switches or valves. Disconnect electrical appliances, but do not touch any electrical equipment if you are wet or standing in water. Avoid fast flowing water or unstable banks.

FLOOD INSURANCE

Most mortgage lenders require flood insurance based on the elevation of the property. In the event your mortgage does not have this provision — or if you own your property free and clear — you can purchase this insurance at any time. Remember: There is a 30-day waiting period before the policy becomes effective. Homeowner's

If a hurricane warning is issued for our area, all residents and visitors are required to evacuate.

insurance and/or windstorm insurance does not cover flood damage.

Because the Town is an NFIP community, flood insurance is available to protect all homes, condominiums, apartments and nonresidential buildings, including commercial structures.

You are eligible for flood insurance, regardless of whether your property has never flooded or has flooded several times in the past. All properties secured by a federally backed mortgage (FHA, VA, FNMA, etc.) must carry flood insurance.

PERMIT REQUIREMENTS

All buildings under construction require permits, which should be obtained prior to commencement of construction activities. Contact Planning and Zoning Services before you build, alter, regrade or place fill on your property. The office is located at 4509 Ocean Drive. If you see building or filling without a Town permit posted, call Planning & Zoning at (954) 776-3611.

IMPROVEMENT REQUIREMENTS

The Town and the National Flood Insurance Program require that if the cost of reconstruction, rehabilitation, additions — or other improvements to a building equals or exceeds 50 percent of the building's market

value — the building must meet the same construction requirements as a new building. This includes lowest floor elevations. Substantially damaged buildings must also be brought up to the same standards.

DRAINAGE MAINTENANCE

Proper drainage helps reduce the risk of flooding. It is illegal for any direct or indirect entry of any solid, liquid or gaseous matter to enter the drainage system and waterways.

The Town inspects the drainage system and removes blockages that are found or reported. If you live near areas where waters flow, you can help in this process by keeping the catch basins clear of debris.

Reports of any violations should be made to the **Municipal Services Department** at (954) 776-5119.

FLOOD HAZARD

All of the property located east of the Coastal Construction Line and on or near the Intracoastal Waterway — or on or near connecting canals — are in the Special Flood Hazard Area. Your property may be elevated high enough that you have not experienced flooding. However, this may change. **Hurricane Andrew** (1992) — South Florida's most devastating storm — was not a wet hurricane as compared to **Hurricane Irene** (1999) and the "No Name" storm in October 2000, both of which caused unprecedented residential property damage.

ELEVATION CERTIFICATES

Elevation Certificates for new construction and substantially improved properties are kept in the **Planning & Zoning Department** and are available by calling (954) 776-3611.

SITE VISITS

A Municipal Services representative will visit to review flooding problems and explain ways to alleviate and prevent flood damage. Also, if you experienced flooding, drainage, sewer backup problems — or witness seen illegal dumping in canals or storm drains — call the Town at (954) 776-5119. □

Plan ahead of time to protect your pets

During a flood or hurricane, evacuation centers in Broward County will not accept pets. So make plans in advance to board your pets in an animal kennel or with friends.

Plan ahead

Talk to a friend or family member who lives in an area that is not expected to be affected by the hurricane. Ask if their home would be open to you and your pet should a storm threaten.

Be responsible

Do not leave your pet home during a hurricane. A secure room and a few day's food and water do

PET-FRIENDLY SHELTER

There is a pet-friendly hurricane shelter at Tamarac at Millennium Middle School, 5803 NW 94th Ave. You must first register your pet with the Broward Humane Society. Proof of a rabies vaccination good through Dec. 31, 2006 is required. For more information, please call 954-989-3977. ☐☐

not necessarily mean safety for your pet. Many people returned home after **Hurricane Andrew** to find their pets missing.

Keep a current picture of your pet to help identify it.

After the storm

Take caution in allowing your pets outdoors after the storm has passed. Familiar scents and landmarks will have been altered and your pet may become confused or lost. Downed power lines also present real dangers.

Take precautions not to allow your pet to consume food or water that has become contaminated. ☐

Broward County shelters

When you are ordered to evacuate, try to move to the house of a friend or family member not affected by the impending storm and high waters.

Rehearse your evacuation plan with all household members. Plan to leave early to avoid any traffic delays. If you will need assistance to evacuate, you must pre-register with a **Broward County Special Needs Shelter** at (954) 537-2888. TDD-Teletype device for the deaf: (954) 537-2882.

Discuss these tips with your neighbors. If you have to evacuate, inform each other of places where you will be staying and leave contact telephone numbers and addresses. Familiarize yourself with the locations of the designated **American Red Cross Regional Hurricane Shelters**. Twelve shelters in Broward are set up for 2006:

Lyons Creek Middle School, 4333 Sol Press Blvd., Coconut Creek.

Coral Glades High School, 2700 Sportsplex Drive, Coral

Springs.

Monarch High School, 5050 Wiles Road, Coconut Creek.

Park Lakes Elementary School, 3925 N. State Road 7, Lauderdale Lakes.

Rock Island Elementary / Arthur Ashe Middle School, 1701 N.W. 23rd Ave., Fort Lauderdale.

Plantation Elementary School, 651 N.W. 42nd Ave., Plantation.

Fox Trail Elementary, 1250 Nob Hill Road, Davie.

Watkins Elementary School, 3520 SW 52nd Ave., Pembroke Park.

Falcon Cove Middle School, 4251 Bonaventure Blvd., Weston.

Silver Trail Middle School, 18300 Sheridan St., Pembroke Pines.

New Renaissance Middle School, 10701 Miramar Blvd., Miramar.

Pompano Beach Institute of International Studies High School, 1400 NE 6th St., Pompano Beach. ☐

Secure your vessel

If you own a boat, it is your responsibility to secure it. As a boat owner, you should make a plan in advance to move your boat or arrange for its storage. Check with a local marina for suitable alternatives. If possible, store the boat inside a garage or warehouse. If you must leave your boat outside, attach the trailer tongue to something firm in the ground, let the air out of the tires and make sure the boat is secured to the trailer. If possible, fill the bilge with water, which adds extra weight. If you have to keep your boat in the canal, be sure to double the dock lines, leaving sufficient space for the tidal range and put out extra anchors. Don't forget to remove all marine electronics or other unsecured equipment. Sail boaters should remove self-furling sails and Bimini tops. Boats on davits should be secured with extra tie lines and in such a manner as to keep the boat from swinging during the storm's high winds. ☐

Protect your home with these flood protection tips

Before you evacuate your home after a **Hurricane Warning** is issued, here are several property protection measures you can take:

- Keep materials (sandbags, plywood, plastic sheeting and lumber) on to protect your house from flood waters to make quick repairs after a severe storm.
- Secure your home before leaving. Bring outdoor belongings such as garbage cans, garden equipment and furniture inside the house or tie them down securely. Move essential items and furniture to the upper floors and lock doors and windows.
- Board up windows or protect them with storm shutters.
- Stack sandbags away from the house walls to prevent flood waters from reaching your home.
- For information on retrofitting or flood-proofing your structure to reduce the impact of flooding, call **Municipal Services** at (954) 776-5119.

The following outlines measures to minimize damage to a structure:

- If your lot is large enough, you should consider regrading it or building a small floodwall. You can also place watertight closures over the doorways. However, these approaches only protect if flooding is not too deep. You can also consider elevating your home.
- Flood-proofing, installing floodgates and making walls waterproof are among the common ways to structurally protect commercial property. Most times, residential structures are elevated higher than the anticipated floodwaters. For additional assistance on how to protect your property from flooding, contact Municipal Services at (954) 776-5119. Additional information on how to perform residential retrofitting or commercial flood proofing is also available at the **Broward County Public Library, Imperial Point**

Branch, 5985 N. Federal Highway, Fort Lauderdale.

But there are some things you can do.

Don't throw or dump anything into storm sewers or canals. Even grass clippings and branches can accumulate and plug canals and drains. A plugged canal or storm drain cannot carry water when it rains. Clogged storm drains will cause water to back up into the street. Every piece of trash contributes to flooding.

If your property is next to a canal, help keep the banks clear of brush and debris. The Town's canal maintenance program removes major blockages such as downed trees.

Did you know that floods are the most common natural disaster?

Here are a few safety tips to consider, if you ever experience flooding.

— Do not walk through flowing water or drive through a flooded area. Drowning is the number one cause of flood related deaths. Currents can be deceptive. Six

inches of moving water can knock you off your feet. If you walk in standing water, use a pole or stick to make sure the ground is still there. Also, do not disregard road barriers; the road or bridge may be washed out.

Stay away from power lines and electrical wires. Electrocutation is the No. 2 flood killer. Electrical currents can travel through water. To report downed power lines, call 911. The **Broward Sheriff's Office** will report downed power lines to **Florida Power & Light**.

Have your electricity turned off by FPL. Some appliances, such as TV sets, hold electrical charges even after they are unplugged. Avoid using appliances or motors which are wet unless they have been taken apart, cleaned and dried.

Be ready for the unexpected. Place important documents inside plastic bags or other waterproof containers. Review your insurance policies to ensure they provide adequate coverage. Know what type of coverage you have. Homeowner's insurance and/or windstorm insurance does not cover flood damage. Any policy change usually takes 30 days before going into effect.

Look out for animals and snakes. Small animals flooded out of their homes may seek shelter in your's. Use a pole or stick to poke and turn things over to scare away small critters.

Look before you step. After a flood, the ground and floors are covered with debris, including broken bottles and nails. Floors and stairs covered with mud can be very slippery.

Be alert for gas leaks. If you use natural gas, use a flashlight to inspect for damage. Don't smoke or use candles, lanterns or open flames unless you know the gas is turned off and the area is ventilated. □

COMMUNITY ORGANIZATIONS

Here is a listing of **Lauderdale-By-The-Sea** homeowner groups, community groups, civic organizations and churches. To update listings, please call the Town's **Public Information Office** at 954-776-3611.

Town will establish formal Sister City relationship with Henley-on-Thames

The **Town of Lauderdale-By-The-Sea** and **Henley-on-Thames, England**, have agreed in principle to establish a formal Sister Cities relationship.

This is the result of efforts by **Vincent Ragusa** of the **Lauderdale-By-The-Sea Center for the Performing Arts**, who has a long-standing friendship with the British entertainer **Vincent Hill**, a Henley-on-Thames resident.

Dr. Kenneth S. Most, chairman of the **Town's Sister Cities Association**, said Thames residents are planning a visit to Lauderdale-By-The-Sea in November, when they will meet with the **Mayor** and members of the **Town Commission**.

Henley is a riverside community in Oxfordshire. It has easy access to London and many other historic sites. □

Get out your calendars and mark down these holiday events

You are invited to attend **Christmas-By-The-Sea** on **Dec. 5th**, which will include hay rides, entertainment and the annual lighting of the Town's Christmas Tree.

For more info, call the **Chamber of Commerce** at **954-776-1000**.

Be sure to also mark down **Dec. 9th** on your calendar for the **Community Church's** annual **Holiday Arts and Craft Fair**. □
