THOMAS WAY TEMPORARY ROAD CLOSURE

Dear Residents,

As part of the Codrington Drive Complete Streets Improvement Project a portion of Thomas Way will be temporarily closed beginning later this month (March 2023) in order to accommodate the storage of materials and equipment associated with this project. All residents will maintain access to their driveways and the closure is expected to last until the Codrington Drive project is completed this summer. Should you have any questions, please feel free to reach out to me.

Regards,

Ken Rubach
Deputy Town Manager
